

# Ermekeilinitiative e.V.

## ERMEKEILINITIATIVE

The Ermekeilinitiative e.V. is a community and neighbourhood scheme consisting of several different projects and activities. You can find us in the western part of the former Ermekeil barracks. We warmly welcome you as our new neighbours to join us and take part in the following activities.

## URBAN GARDENING

In our community garden we grow vegetables and flowers in wooden containers. You are more than welcome to join the gardeners in tending those boxes marked „communal“ (Gemeinschaftskiste). Alternatively, you can simply enjoy wandering through the garden, and relax on the lawn or on the home-crafted furniture.

This is also a wonderful opportunity to get to know our gardeners and your neighbours. We also have toys for children to play with.

You are welcome to come and join us every third Saturday of the month from 11 a.m. for various workshops which include building new boxes for the plants as well as garden furniture from recycled wooden pallets.

### Opening hours:

Tuesdays–Fridays: 4–8 p.m.

Saturdays and Sundays: 2–8 p.m.

## PROJECTS AND ACTIVITIES ORGANISED BY THE “ERMEKEILINITIATIVE”

## WELCOME AND EVENT CAFÉ

Here you can meet people from the community project as well as the local neighbourhood. Come for a chat, tea and coffee, a slice of cake and get to know each other. We also organise different activities such as handicrafts, gardening, sewing, table football matches, movies, and children’s activities.

The Welcome Café takes place in the garden and in House No. 2.

### Opening hours:

Sundays: 2-5 p.m.

## REPAIR AND SEWING CAFÉ

Every third Saturday of the month we organise a Repair and Sewing Café in House No. 2. We will be joined by volunteer “repair experts“ to help you repair broken electric appliances, computers, bicycles etc.

You can also pop in to get help with your sewing. Feel free to volunteer as a repair expert if you have experience with repairing bicycles, computers, electronics, or sewing. Help is always appreciated.

### Opening hours:

every third Saturday: 2-6 p.m.

## INTERNET ACCESS

There is free Wi-Fi access covering the area which is provided by Freifunk KBU.

SSID: kbu.freifunk.net

## BICYCLE WORKSHOP

During the Repair Café and every Friday from 4–6 p.m. you can join the bicycle workshop in the garden. The bicycles will soon be rented out.

### Opening hours:

Fridays: 4-6 p.m.

## DISTRIBUTION FACILITIES FOR USED CLOTHING

Volunteers from our community run a distribution service for used clothing and shoes. If you are in urgent need of clothes or shoes, you can drop by on Mondays, Wednesdays, and Fridays from 4–8 p.m. Since we have to cater for thousands of refugees every month, we can only hand out 3 items per person.

### Opening hours:

Mondays, Wednesdays, Fridays: 4-8 p.m.

**Please take a look at our other announcements for all special activities and invitations!**
